Subsequently, TANFINET has received requests from applicants to reopen applications for specific Gram Panchayats (GPs) and Revenue Villages (RVs) across various locations. These applicants cited a lack of awareness regarding prior notifications, which consequently prevented them from submitting their applications via the portal. Some of these requests were even made through personal visits to the TANFINET Corporation office.

It is further noted that notifications were issued for 4,701 GPs and 513 RVs (spanning 128 Blocks) on the TANFINET Portal, and the notification period for these has now concluded. Among these, single applications have been received for 3,163 GPs and 313 RVs. According to the Franchisee allocation process, a maximum of two applicants can be allotted per GP/RV.

To offer additional opportunities to prospective applicants, and in response to requests from operators, the application window for the 3,163 GPs and 331 RVs that had previously received only single applications has been reopened. This reopening will also extend to all GPs and RVs that have not yet received any applications. We encourage applicants to seize this excellent opportunity to register as Franchisee Partners and collaborate with us in providing high-quality internet service to the rural population.
